Dear Sir:

We are pleased to inform you that your company is now considered a potential supplier to Saudi Aramco under Vendor Code **10034051** per your CR, the following materials service groups are approved for you:

Material Service Group	Description
010000	Pipe, Carbon Steel, Special Application(e.g. Hi/Lo Temp)
022000	Valves, Gate (with or without Actuator)
028000	Valves, Check
032000	Valves, Instrument
086000	Pressure Instrumentation
089000	Temperature Instrumentation

This approval, however, should not be construed as a commitment by Saudi Aramco to purchase from you, but your company will have the opportunity along with other approved sources to respond to requests for submitting proposals in accordance with Saudi Aramco's established policies and procedures. All purchase agreements and orders will be issued based on the name and address stated in your commercial registration (CR), as stated above.

Please note that evidence of representation from your supply source(s) must be supported by letter(s) of confirmation stipulating the territorial coverage and specific product lines involved. Your supply sources must have been accepted as qualified suppliers of the range of materials that you wish to supply. It is also important that you advise us immediately of any changes in the agreements which you have negotiated with your supply sources and/or any changes in your contact information such as postal address, telephone and fax numbers.

Should you have any questions, please call Mr. Najib H. Al-Sharakh on 874-0318.
